**FEATURED GUEST: GARY MILLS**

Gary Mills, a cherished former community member, co-founded the Fools Five Road Race in 1979 and served as its co-race director for 29 years. We are deeply honored to recognize Gary as our Featured Guest, a tribute to his lasting impact & decades of dedication. He devoted 32 years to the Lewiston-Altura School District as a beloved educator and coach, known for his big smile, genuine

enthusiasm, and unwavering support for his students. Under his guidance, his athletes earned state championships in cross country, track and field, and wrestling. His exceptional leadership earned him recognition as Minnesota State Coach of the Year in 1998, and was honored to carry the Olympic torch for the 1996. Above all his accomplishments, Gary is most proud of the lifelong relationships he built with his students, their families, and the community he served so faithfully. He is currently facing stage four pancreatic cancer with courage and strength.
